The following emails detail the children of George "Old George" Klock and confirms that in the foregoing deed he transferred his interest in the 48,000 acres to his children.

Hi Jerry,

Glad the info. was helpful. It's sometimes like pulling teeth---getting some info., isn't it?

How naive of me to think that Comcast was only the Pittsburgh area. But, then again I was sending this late at night and the brain wasn't working too well anymore!

Do you get a lot of information from the [www.FamilySearch.com](http://www.FamilySearch.com) ? That has seemed to be my very best source.

No, I had not yet seen the website that you sent me. I will have to investigate that one. Anything helps.

Thanks for that. Keep in touch.

Judy

Hi Judy -

Thanks for the prompt reply. I have noted your new email. Thanks for the names of George's children. The reason I asked is I came across an old deed wherein George had acquired an interest in 48,000 acres of land in NY. He subsequently gave his interest to Jacob G. Klock, George G. Klock, Catherina Walrath, Margrit Bellinger, Elizabeth Quackenbush, Lena (Magdalena) Walrath, and Anna Klock. I was wondering if they were his children and your information suggests that they were. Although there was no mention of Peter in the document.

For your information, Catherina Klock 1741-1797, daughter of "Old George" also married a Walrath. She married Henry Walrath/Walrad 1737-1791.

I live in Naples, Florida now. When we corresponded last, I lived in Grand Blanc, Michigan. Had Comcast CATV there as well as here and of course, broadband internet access wherever Comcast is. To my knowledge, Comcast is located all over the Eastern U.S.

Are you familiar with <http://threerivershms.com> ? Lots of Klock information there.

Thanks again for the information.

Hi Jerry,

Always nice to hear from a relative. (Well, most of them anyway-LOL.)  
Note my new e-mail address is judyk.homes@verizon.net. I have recently  
changed and old e-mails are forwarding for awhile yet.

I have from the Helen Clock Williams Genealogy...  
Johanguergh (George) (known as Old George) Klock b. 1714. m. Maria Catherine  
???Margaretha Walrath (Walrad) on 1735/36. d. ???  
Children:  
Jacob, b. 3/9/1738. d. 9/10/1814.  
George G., b. 11/12/1742. d. 7/26/1834  
Catherine, b. ???  
Margaret, b. 1745. d. 3/5/1825. m. Johannes Lawyer Bellinger on 2/25/1766.  
Elizabeth, b. 1750. d. ??? m. Ebenezer Cox on 2/7/1769.  
Anna, b. ???  
Magdalene E., b. ??? m. Adam A. Walrath, (maybe circa 1786.)  
Peter, b.???

I see that you have a Comcast e-mail address. I thought that was from the  
Pittsburgh-only area. Where are you? We are in Pittsburgh, PA.

I have been working on all of this for 6 years. Hopefully one of these days I  
can complete mine and my husband's, for 10 generations.

Funny note...When my Son looks at my Fan Chart, he said it makes him nervous,  
when he sees all of the inter-marriages between the Klocks and the  
Bellingers! I told him that they were small towns and there weren't too many  
marriage choices.

Hope this helps.

Have a Blessed Thanksgiving.

Judy

Hi Judy -

We exchanged email a number of years ago and you stated you were a  
descendant of George Klock and Maria Margaretha Walrath.

Do you have the names of their children, birth dates, and spouse?

Jerry L. Walrath

Hi Dave -

Thanks for the prompt reply. I would like to receive the file(s) that comprise the descendants of George Klock and Maria Margaretha Wallrad.

Do you have any information about the 48,000 acres of land in New York that George had an interest in?

Jerry

Hi Dave -

In January 2005 we exchanged email re the marriage of various Klocks and Walraths.

What information do you have about a George Klock and Jacob G. Klock who, in 1766, acquired 48,000 acres of land in Montgomery Co., New York? On Aug 3, 1786, George Klock later 2286 acres each to Catherine Walrath and Lena (Magdalena) Walrath. On Dec 18, 1786 they conveyed their share to Jacob G. Walrath. The record indicates that the 2286 acres represented 1/7 of George.
