File 33-J

I found the following information on photocopied pages that apparently were stored face to face and the copy medium on both facing pages made it difficult to read. What follows is my transcription of the pages. There was also a heading that was reverse copied and may, or may not be applicable to this file.

It read " Original Bible Copy at: Margaret Reaney Memorial Library

St. Johnsville, New York"

Page 1:

Bible NO. 26 COLLINS (Walrath) BIBLE dated 1816.
