Note: Anna Dorothea above, could be the wife of Adolph Walrath,
who was having children in the 1750's.

The church records which do not start until 1758, contains on its first
pages, the family records of three or four of the early Palatines - there
is none for the name Walrath, but the record for John Hess is as follows:

Johannes Hess married 1711, in August, Catharine Lilofin and had in
this country: (children)

Anna Eva, born Sept. 24, 1713
 Anna Maria, born Mar. 25, 1815
